Assignment to Overseas Part I Mobilization Position, Waldron, Robert E.,
AO 312 31 47

Capt Robert E. Waldron
Suite 504, House Office Bldg
Washington 25, D.C.

1. In an effort to extend the mobilization potential of the Air Force, a review has been made of the personnel assigned to the General Reserve War Authorization for Individuals (Part III) and the vacancies of overseas Major Air Command War Augmentation Authorizations for Individuals (Part I). This has resulted in the identification of an additional known reserve resource which could be assigned against specific individual wartime grade and specialty augmentation requirements.

2. As a result of this action, you have been identified as being eligible for possible assignment to the overseas Part I position shown on the attachment. If you desire this assignment, it is requested that you accomplish the attached AF Forms 1288/1051, Application for Reserve Assignment and Ready Reserve Agreement, and return them to this headquarters, Attn: RPM, not later than 16 June 1964. If you are not interested in such an assignment, it is requested you so indicate by accomplishing and mailing the self-addressed post card (inclosed). This is essential in order that other qualified Part III reservists may be offered the position if you are not assigned.

3. If you desire this assignment, you will be assigned to a unit located outside the Continental United States and attached for administration and training to an Air Reserve Squadron. Your inactive duty training will be performed with the Air Reserve Squadron. You will be in a status which would also afford you a short tour of active duty for training as long as you remain assigned. Active duty training will be performed with the nearest Air Force unit to your residence which can provide training. Training of any type with the overseas unit of assignment is not permitted. Inactive duty with local Air Reserve Squadrons will be for point credit only.

4. It is recommended that you apply for the proposed assignment as, henceforth, expenditure of funds will be authorized for active duty short/special tours or school tours only for reservists assigned to specific mobilization positions and organized units.

Colonel, USAF
Director, Reserve Affairs

any component (including the Reserve component) of any of the Armed Forces of the United States, whether or not on active duty, or before a warrant officer who is serving as the adjutant, assistant adjutant, or personnel adjutant of a command.

4. If the oath is administered by a civil official, the oath must bear the official seal of the person administering the oath, or if he does not use a seal, his official capacity to administer oaths must be certified to under seal by clerk of court or other proper local official. III. APPRAISAL FACTORS				
Listed below are those factors generally vital in measuring the performance of Reserve officers not in the active military service. The purpose of obtaining a rating on each factor is to provide you with a measure of individual characteristics that will aid in arriving at a valid overall appraisal. Place a single "X" in whatever box best indicates your evaluation. The written descriptions are to serve as a guide in your appraisal. Guard against the tendency of forming a general impression and marking the same degree for all factors. This "halo effect" may be prevented by considering and judging each element separately and independently of the others. Do not allow your evaluation of one factor to influence you on another. The end result should be a profile of the officer's relative performance in terms of the separate factors. Check the not observed box whenever you have insufficient knowledge on which to base an evaluation.

IV. COMMENTS OF REPORTING OFFICIAL: *include any strengths or weaknesses not covered elsewhere in this report. Whenever an officer is rated outstanding, one or more actual incidents illustrating typical performance which justify the rating must be included. Indicate recommendations.*

FACTS AND SPECIFIC ACHIEVEMENTS: Captain Waldron attends weekly meetings of the 9999th ARS, composed of members of Congress and their professional staff. Lectures are presented by the very highest staff officers the Air Force has to offer. After each briefing, there is a question and answering period in which Captain Waldron frequently participated.

SUGGESTED ASSIGNMENT: He is qualified to assume the duties as a Squadron Administrative Officer.

CIVIC RESPONSIBILITIES: As Administrative Assistant to Representative Thornberry of Texas, his present reserve assignment enables him to obtain very valuable information each week that is closely correlated to civilian job. He is able to enhance his own knowledge of the Air Force and benefit the Air Force by keeping the Congressman informed on current Air Force matters.

PROMOTION FITNESS: Captain Waldron is well qualified for promotion to the rank of Major.

V. OVERALL APPRAISAL

Compare this officer with reserve officer of the same grade, not on extended duty, considering the position he will be expected to fill in the event of mobilization; evaluate his progress toward that end as represented by his performance during the reporting period.

Remember that extremes of ability are rare. Be objective and impersonal. Think of the officer's performance over the entire rating period. Place an "X" in the appropriate box.

UNSATISFACTORY.	MARGINAL.	AN ACCEPTABLE OFFICER.	A DEPENDABLE AND TYPICAL OFFICER.	A VERY FINE OFFICER OF GREAT VALUE TO THE SERVICE.	ONE OF THE VERY FEW OUTSTANDING OFFICERS I KNOW.

2. Reference is made to the attached letters (Atchs 1 & 2) from General Fagan, AFM, and General Vidal, Second Air Force Reserve Region, Andrews AFB, D. C., recommending the appointments of Mr. George M. Lusk and Mr. Ronald E. Waldron as Reserve Officers of the Air Force and advising that the Vice President has expressed personal interest in the applications.

3. Mr. Lusk and Mr. Waldron do not qualify for appointment in any of the presently authorized categories which are restricted to the medical, dental, chaplain, and legal officers for active duty. Current policy does not permit the direct appointment of officers in other categories. It is noted that Mr. Waldron's application was not sent Air Force Headquarters. However, the Secretary of the Air Force may consider appointments as exceptions to policy to individuals who possess outstanding qualifications when considered to be in the best interest of the Air Force.

4. Mr. Lusk is currently employed as an assistant to the Vice President. He is 27 years of age, a 1950 graduate of St. Mary's College, Maryland, completed 2 years at Georgetown Law School and 1 year of postgraduate work at Johns University in Political Science. Mr. Lusk has had no prior military service and is within the age bracket for appointment as Second Lieutenant.

5. Mr. Waldron is presently employed as an administrative assistant to Congressman James Thompson. He is 31 years of age, a 1954 graduate of University of Texas in Business Administration and has completed law courses at the University of Texas and George Washington University. Mr. Waldron's age requires that he be considered for appointment in grade of Captain.

6. In view of the level of interest in these cases and the relative junior grades involved, it is recommended that:

- a. Mr. Lusk be appointed in grade of Second Lieutenant
- b. Mr. Waldron be appointed in grade of Captain

If you approve this action, these individuals will be assigned to the 200th Air Reserve Squadron, Andrews AFB.

SUMMARY

1. Robert E. Waldron, Capt , USAFR, born 1 January 1927, is an Air Force Reserve officer assigned to the 9999th Air Reserve Squadron, Andrews Air Force Base, Maryland.

2. A background investigation conducted on Waldron by a reliable Government agency in connection with his application for employment in a sensitive federal position was completed in December 1963. This investigation reflects adversely upon Waldron's moral character and raises a serious question of his continued assignment in the Air Force Reserves, particularly from a security point of view. In brief the following information was developed:

An allegation was made by a former acquaintance that Waldron, during December 1962, had on one occasion made homosexual advances toward him while both were sleeping in a double bed together at subject's home in Washington, D. C. Upon being questioned by the acquaintance in regard to this incident Waldron reportedly admitted that he was not romantically attracted to women but was so attracted to some men. According to the acquaintance, Waldron was remorseful over the incident and promised not to make any more advances. This acquaintance further advanced the opinion that Waldron was rather a high strung type of person and if he was dismissed from Government employment because of homosexual tendencies that he might attempt suicide. In addition to the above, the investigation further reflects that Waldron resided for four years with a person who had admitted engaging in a homosexual act. Another person who was Waldron's roommate for a period of time had previously resided with an admitted homosexual. Also, the names of two former neighbors and close friends of Waldron's were found in the address book of a person who lived with an admitted homosexual. Two interviewees who had been employed in the same office as Waldron for substantial periods of time reported having heard numerous rumors that Waldron is a homosexual.

3. This investigation coupled with a review of Waldron's Master Military Personnel Records File, disclosed discrepancies which reflect a possible falsification of his claimed educational achievements. On his application for Government employment, Standard Form 86, titled "Security Investigation Data"; dated 26 October 1963, Waldron claimed a BBA degree and two years of law school from the University of Texas which was confirmed by investigation. On Waldron's "Application For Appointment In The Air Force Reserve", (undated) AF Form 24, Waldron claimed a LLB degree from the University of Texas. There is no record of Waldron having been awarded a LLB degree from the University of Texas.

CSC FORM 306
AUGUST 1960

WASHINGTON, D. C.

Neighborhood

DAVID P. LAMBERT, Research Assistant, United States Senate, 912 East Capitol St.

I have lived in the basement apartment of this house for approximately two years. Robert Waldron bought the house and moved into the upstairs part of the house something like a year ago last winter. He lives in the house by himself and seems to be a very fine person from all contact I have had with him. I think a great deal of Bob although I am not a real close friend of his. I have not had a great deal of contact with him in the period of time he has owned the property although I do consider him to be a very good landlord and fair in all respects. Since he has owned the house he has been working on Capitol Hill with a Congressman from Texas. And as far as I know has worked there for some long period of time. Over the months that Bob has been here he has had many friends and constituents from the Congressional District in Texas stay in his home for periods of a few days at a time. I am very rarely around my apartment in the evening as I am going to night school and do not have a lot of spare time to spend around the house. He is a very pleasant person and very gregarious and outgoing in his personality. In the time I have known Bob I have never seen or heard of a thing which would raise any questions in my mind concerning his character, habits, or moral conduct. I do not have any knowledge of his dating habits, but he does seem to have a lot of people around the house from time to time. I have never observed any characteristics or mannerisms which I would consider out of the ordinary for a man.

He is very much interested in antique collection and is very interested in beautiful antique objects.

He seems to enjoy very good health and I would say he is a well adjusted person. He is active in the Air Force Reserve Unit on Capitol Hill. And other than the Texas State Society to which he belongs I know of no other groups or organizations with which he is affiliated.

I would definitely say that he was a loyal American and I would recommend him for a position involving the national security of the United States.

MISS LURENE NOLAND, Teacher, 621 A St., S.E.

I moved to this address in May of 1962 and a man with a Scotty puppy was living at 625 A Street, S.E. at the time. He remained in that house for only a short time after I moved to this address. He struck me as being a rather odd, queer sort of fellow. I never talked with him or heard anything about him. He was seemingly close friends with the two men who live at 623 A Street, S.E. Their names are Robert E. Best and Bill Carmichael.

I do not feel I know enough about the gentlemen to make any additional comments concerning him.

ROBERT E. ~~DEST~~, Realtor, Robert Dest Realty, Company, 1507 H St., N.W., Room 103. *WASH. D.C.*

Bob Waldron rented a house from me at 625 A Street, S.E. for something like a year approximately 18 months ago. Upon leaving the house he rented from me he moved to a home he had purchased at 912 East Capitol Street. I own both the house at 625 A Street and the proper where I live at 623 A Street, S.E. I had rather close contact with Bob during the time he lived next door and he lived in the house by himself. I knew of Bob prior to his moving to 625 A Street as I had met him socially before.

I would consider Bob to be 100 percent dependable in all respects, in fact he still has a key to my home at 623 A Street and he has the right to come and go at the property as he so desires. He is the only person to whom I have ever granted this privilege. I would say that we enjoy a rather close relationship as friends. We have an arrangement at the present time that if he has guests coming into Washington from out of town they are perfectly welcome to use my house for the guests to stay in. I have always found Bob to be a man of the highest moral character and although he drinks socially I have never seen him drunk. I have never detected any mannerisms or characteristics which I would consider in any way out of the ordinary for a man. He is single and has never been married, to my knowledge.

Bob is very socially inclined and enjoys parties to a great extent. He has been in good health during the period of time I have known him and I have always considered him to be a very well-adjusted person. The only difficulty he has had of a physical nature was within the past year when he had a kidney stone attack and this was corrected.

I know of no questionable groups or organizations with which he is associated and would definitely have no reason to question his loyalty to our Government. I would recommend him for a position involving the national security of the United States.

WILLIAM G. ~~CARMICHAEL~~, Vice President, Answering Service, Inc., Room 422, Washington Bldg., 1435 G St., N.W. *WASH. D.C.*

My residence is 623 A Street, S.E. and Robert Waldron rented the house next door at 625 A Street, S.E. for a period of time a couple of years ago. I had quite a bit of contact with Bob during the period of time that he lived next door to me. I will say one thing at the outset Bob is one person

you will never find anything negative or derogatory about. I have no knowledge of anyone being able to make any detrimental statements concerning him in any way. During the time that Bob lived next door to me he lived in the house by himself although he did have a continuous stream of guests in and out of the house. Most of these were people who were visiting in Washington from the Congressional District that the Congressman he worked for represented in Texas. Bob has worked on Capitol Hill all of the time I have known him and I am sure he has been there for a considerable number of years. I trust Bob beyond a doubt and in fact he has a key to our home during the time he lived next door and he still has the key and has access to the house whenever he wants it. After Bob moved from the 625 A Street address he bought a home at 912 East Capitol Street and is living there at the present time by himself. I didn't know Bob before he moved into 625 A Street so I would have no knowledge of where he lived at that time.

I have always found Bob to be a very gregarious person and he is the type of individual who would give you his life's blood. I find him to be one of the most dedicated public servants that I have ever known. My friends have met Bob and my family also have met him and they are very much impressed with him. He is a very helpful person and unselfish in all respects. I still see Bob regularly at his home at 912 East Capitol Street and on various week ends over the past year or so he has made use of my place in the country at Great Falls. He likes to go to the country property to read and rest. And some occasions he has taken friends with him to the house in the country. I do not know the names of any of these individuals he has had visiting him while there. I have spent some time with him on week ends at the Great Falls property, but not to any great extent. I would say that Bob is definitely a man of the highest character, habits, and moral standards.

Bob seems to get a great deal of enjoyment out of needlepointing and he does this for relaxation. We often kid him about this being not too manly of a trait. I would describe Bob as typically Texan, and I can say with all honesty that he has no mannerisms or traits that I would consider questionable. I definitely feel that Bob is much too dedicated to his work since it deprives him of any private life whatsoever. Bob seems to know a wide range of women and seems to be very comfortable in their company. Bob is the type of person who works almost to the point of collapsing and will be up at the crack of dawn the next morning ready to go again. Bob told me at one time that he had been very much in love and was almost to the point of becoming engaged. He continued that he finally decided that he could not divide his loyalty between a wife and a job and he made the decision for the job. Bob is very handy around the house and he definitely knows how a house should be run.

- 4 -

Dob is the only person I can think of who would be an excellent representative of the United States in any situation. I would definitely consider him a loyal American and I cannot recommend him highly enough for a position involving the national security of the United States.

CONFIDENTIAL INFORMANT A.

Files of Confidential Informant A reflect that names of Robert Best and Bill Cornichow were found in an address book of ~~Lloyd L. Green, the manager~~ of an admitted homosexual.

~~Bob~~ ~~Robert Best~~
ROBERT C. GOETZ, Controller, MSI, General Contractors 11303 Grandview Ave., Wheaton, Md.

I first met Bob Waldron sometime in either 1958 or 1959 through mutual friends. I became very well acquainted with Bob and we have been rather close friends since that time. Bob and I shared a house at 2537 Queen Ann's Lane, N.W., from March of 1961 until sometime in the fall of that year. He left as he was going to return to Texas with the Congressman for whom he was working to assist him in his campaign for reelection. During the short period of time Bob stayed with me he was in and out of the house a great deal as he traveled a great deal in the course of his job. Bob has worked on Capitol Hill as the Administrative Assistant for Congressman Thornberry of Texas for as long as I have known him. Prior to Bob's moving in with me on Queen Ann's Lane he lived with a Jim Williams on Fourth Street, S.E. and I believe he had lived there for something like a year.

Dob is a very clean-living fellow and I have never had any reason to question his character, habits, or morals in any way. He is very much married to his job and does not have a great deal of time to spend for his own entertainment. I have been at social events with Dob and have seen him take a drink, but I have never seen him drink too much.

Dob is very financially responsible and I have never known of him to have any difficulties with his money in any way. He is a real bug on antiques and is quite an authority on some antique pieces. He is very much interested in clothes and always has the latest type of clothing that is on the market.

I have never observed any characteristics or mannerisms that I would consider out of the ordinary in any way.

He has always enjoyed very good health and is a very stable person. To my knowledge, Dob has always been single.

I know of no organizations or groups with which he is affiliated and would definitely have no reason to question his loyalty to our Government. I would recommend him without reservation for a position involving the national security of the United States.

JIM WILLIAMS JAMES WILLIAMS
JAMES C. WILLIAMS, Employee Relations Officer, Coast and Geodetic Survey,
U.S. Department of Commerce, interviewed in Room 1517, T-3 Bldg., 17th and
Constitution Ave., N.W.

I have known Robert Waldron since 1957 when I first came to Washington, and was introduced to him. During this early period I worked in the office of Senator Johnson of Texas and Bob was working with Congressman Thornberry from Texas. We served on the Board of Directors for the Texas State Society together and became rather close during this period. I also served in the capacity of liaison officer between the two offices and had rather close contact with him in this respect. I have attended a number of parties at his home over the years. We shared a house together at 306 Fourth Street, S.E. for sometime around 1960. I do not remember exactly when he moved in, but I would guess it was around February of 1960. I stayed in the house until the end of 1961, but Bob was not there with me all of that time. He was away from the house part of the time campaigning with the Congressman and doing some traveling. After he moved from the Fourth Street, S.E. address he moved with Bob Goetz and to Queen Ann's Lane in the Northwest section. I do not know how long he continued to live there with Goetz, but it was for the major part of 1961. In 1961 I left Washington and was gone for some period of time and did not return until a year or so later. I have not had any contact with Bob for approximately two years now to any extent and see him very infrequently. We have no friends in common although we do have common acquaintances. I know absolutely nothing detrimental to him in any way and have never had any reason to question his character, habits, or morals. He drinks but I have never seen him drink excessively. He did not spend a great deal of time around the house while we lived together and I know that he is interested in collecting china and other things of this nature. Bob is very socially inclined and in this respect we did not have much in common so we didn't do a lot of running around together. Bob has dated rather consistently over the years and I would say that he was a very normal man in all respects. He seems to enjoy very good health and I would say that he was a very well-adjusted, normal person.

I know of no questionable groups or organizations with which he is associated and would definitely have no reason to question his loyalty to our Government. I would recommend him for a position involving the national security of the United States.

Employment

MRS. OLGA BREDT, District Secretary, Office of U. S. Congressman Homer Thornberry, U. S. Courthouse, 200 West 8th Street. AUSTIN, TEXAS

I first became acquainted with Robert Earl Waldron at the law firm of Powell, Rauhut, McGinnis, and Reavley. I do not recall when I first met him, but it was about the same time that he started his education at Texas University. He was a legal secretary with a law firm and we were co-workers there until May of 1953, at which time I left to accept a position with Congressman Thornberry.

Robert left the law firm about 1955 to take a position with the congressman, Homer Thornberry, at Washington, D. C. as an administrative assistant. He spends about ten or eleven months of the year in Washington, D. C. and spends only a very limited amount of time here in Austin.

My position requires me to be at this office all the time, so I have not had too much contact with him. He has never been married to my knowledge. I recall that he spent approximately three months here in Austin during 1961 when Congressman Thornberry was running for re-election. At that time, he stayed with a close friend of his, Lee Phillips, and I was acquainted with Robert through a working environment.

I have also attended political functions and parties where he has been in attendance. I would describe him as a hard-working and likable young man. He is very interested in people and will probably never be married because he is too interested in doing too many things to settle down and become a married person.

I believe that he is entirely dependable and he is the most accommodating young man. He is very well informed and has a broad knowledge of many subjects. I believe that his moral conduct is good and I consider his drinking habits to be very moderate.

I am not aware of any questionable organizational affiliations, undesirable associates, arrests or court actions that he has been involved in. His physical health has been very good to my knowledge. I believe that his mental health is fine. For recreation he enjoys golf, horseback-riding, collecting antiques, music, art and many other widely diversified interests.

I believe that he is loyal to our form of government and I highly recommend him for a position involving our national security.

POWELL, RAUHUT, MCGINNIS, AND REAVLEY LAW FIRM. Brown Building, 708 Colorado Street. Social Security Payroll Record information furnished by Miss Preble Richardson, Secretary.

The Social Security Payroll record indicates that Robert E. Waldron, Social Security Number, 467-30-3725, single, began employment with this law firm as a part-time secretary in February of 1952 and terminated on May 31, 1955.

MRS. PREBLE RICHARDSON, Secretary, Powell, Rauhut, McGinnis, and Reavley Law Firm. Brown Building, 708 Colorado Street. AUSTIN, TEXAS

I was employed with this law firm the entire time that Robert Earl Waldron was employed here as a legal secretary. He left this firm to accept a position with Congressman Homer Thornberry as one of his Staff Assistants. Robert worked part-time here while he attended Texas University. He has never been married to my knowledge.

I was acquainted with Robert only through a working environment and he still comes by and visits occasionally when he is in Austin on leave from his position at Washington, D. C.

He is a very pleasant person with an out-going personality. I consider him to be a man of good character traits and fine reputation. His moral conduct is good and I recall that he dated frequently, but had no steady and serious girl friend.

I am not aware of any questionable organizational affiliations, undesirable associates, arrests or court actions that he has ever been involved in. I have never heard any unfavorable comments regarding him or cannot recall any bad habits that he might have had.

I consider his physical and mental health to be good and his drinking habits to be of a moderate nature. I cannot rightly recall any particular recreational activities, but it seems to me that he had a very wide interest in cultural matters.

I believe that he is loyal to our form of government and I do recommend him for a position involving our national security.

MR. JAMES W. WILSON, Attorney, Powell, Rauhut, McGinnis and Reavley Law Firm, Brown Building, 708 Colorado Street. *ASTORIA, OREGON*

I have been acquainted with Robert Earl Waldron since June of 1951 when I began working for this firm. He was already here at that time as a legal secretary and from what I have heard, he was employed here about a year before I came with the firm. I left this firm in February of 1952 to go into the Navy and returned in May of 1955. During the time that Robert was here, he was only a part-time employee as he was attending Texas University.

I went to Washington, D. C. to work from January 1959 until November of 1960 and saw quite a good deal of Bob at Washington, D. C. We are good friends and he has visited in my home several times. He has been an employee in the office of U. S. Congressman Homer Thornberry since about 1955. He has never been married to my knowledge.

keep
I consider him to be a person of excellent character. His physical appearance impresses one as being effeminate. That is, he dresses very neatly, is interested in antiques, art, furniture and other cultural aspects of life. People who do not like him has stated to me that he was effeminate but I have always replied that I thought this was unfair statement. I have no reason to believe that he has any homosexual tendencies. He mixes well with other people and I consider his moral conduct to be good.

I regard his drinking habits as being moderate. I am not aware of any questionable organizational affiliations, undesirable associates, arrests, or court actions that he has ever been involved in. His physical and mental health have always been good to my knowledge.

For recreational activities he enjoys art and other cultural pursuits.

I believe that he is loyal to our form of government and I do recommend him for a position involving national security.

MR. MORGAN HUNTER, Attorney. Powell, Rauhut, McGinnis and Reavley, Law Firm, Brown Building, 708 Colorado Street. *ASTORIA, OREGON*

Robert Earl Waldron was already with this law firm when I came here in March of 1951. He stayed until the middle 1950's and then resigned to accept a position with U. S. Congressman Homer Thornberry.

Previous to 1952, this office treated the University students as independent contractors; therefore, no social security records would be available to establish their employment dates here.

-4-

He was a legal secretary at this firm until about 1955 or 1956 at which time he accepted a position with Congressman Thornberry.

I was acquainted with him only through a working environment but to my knowledge, he has never been married. He worked only part-time here and attended the University of Texas.

I consider Robert to be a most entertaining individual, and women adore him because he appears to know something about nearly everything that appeals to women; but at the same time, he seems to get along well with nearly all types of people of both sexes.

I regard his moral conduct to be acceptable to my knowledge. His drinking habits are moderate. I am not aware of any questionable organizational affiliations, undesirable associates, arrests, or court actions that he has ever been involved in.

I have no reason to question his honesty, trustworthiness or reliability. I have never heard any unfavorable comments regarding him and believe he enjoys good health both physically and mentally. I can recall no recreational activities that he might have participated in.

I believe that he is loyal to our form of government and I do recommend him for a position considered critical from the standpoint of national security.

MRS. ELBERT JOHNSON, Secretary, Chief Justice of Texas Supreme Court, 1111 E. Brackenridge Apartments, Lake Austin Boulevard. *11/11/55*

I worked as a legal secretary in the law office of Powell, Rauhut, McGinnis and Reavley, from the spring of 1952 to about the summer of 1953. Robert Earl Waldron was a male secretary and co-worker of mine at the law firm. He had never been married to my knowledge and I never dated him, but he and I have double-dated several times and I have been in attendance at numerous social affairs where he also was in attendance.

He went to work as a staff assistant with U. S. Congressman Homer Thornberry about the middle of the 1950's at Washington, D. C.

He has a very nice personality and appears to get along well with nearly everyone. He is very capable as a legal secretary and is of good moral conduct, to my knowledge. I believe his drinking habits should be considered moderate.

I consider him honest, trustworthy and reliable. I am not aware of any questionable organizational affiliations, undesirable associates, or arrests or court actions he has ever been involved in. His physical and mental health appeared to be fine.

No record of any disciplinary action concerning Robert Earl Waldron is maintained at this office.

Neighborhood

DONALD D. JAMES, Research Engineer, Defense Research Laboratory, Texas University, 500 East 24th Street.

I was a roommate with Robert Waldron during the fall of 1961 at 2323 Newfield Lane, Austin, Texas. He stayed at that residence for about two or three months as a guest of one of my other roommates. There were four of us living at the residence.

He was an assistant in the office of the U. S. Congressman Homer Thornberry. Robert had never been married to my knowledge and I did not know him real well as he was gone to political parties and functions most of the time.

He impressed me as being a likable fellow who was easy to get along with. "I considered him to be a funny bird in that he did not care anything about girls, but I have no reason to believe that he had any homosexual tendencies." I believe that his drinking habits were of a moderate nature.

I am not aware of any questionable organizational affiliations, undesirable associates, arrests or court actions that he has ever been involved in. I have never heard any unfavorable comments regarding him and believe that he enjoys good health both physically and mentally.

I considered him to be honest, trustworthy and reliable.

I have no reason to question his loyalty to America and based on my limited knowledge of him, I do recommend him for a position involving national security.

MR. BURT ENGELHARDT, Sales Trainee, Data Processing Division, International Business Machines, 1011 San Jacinto Street.

I roomed with Robert Earl Waldron for a short time at 2323 Newfield Lane in Austin, Texas. He roomed with me and three other fellows for only a couple of months in 1962, I believe it was around September and October of 1962. He had never been married to my knowledge and he was a Staff Assistant with U. W. Congressman Homer Thornberry.

I consider him to be a person who was very easy to get along with and who possessed a good sense of humor. He apparently enjoyed his work very much, and was socially inclined. His drinking habits appeared to be moderate.

I am not aware of any questionable organizational affiliations, undesirable associates, arrests, or court actions that he has ever been involved in.

I do recall that he like to cook. His physical and mental health appeared to be normal. I believe his moral conduct was acceptable, although at first he impressed me as being effeminate, but as I became more closely acquainted with him, he did not appear to be as effeminate as I had first imagined.

I have never heard any unfavorable comments regarding him. I believe he is a loyal American citizen and based on my limited knowledge of him, I do recommend him for a position involving national security.

MR. LEE PHILLIPS, Assistant Vice-President, Capitol National Bank, 7th and Colorado Streets.

I first became acquainted with Robert Earl Waldron during the latter part of 1958 when I went to the U. S. Congressman Homer Thornberry's Office here in Austin to ask him if he would speak to a local service club. Robert Waldron was an assistant in Congressman Thornberry's Office and we engaged in conversation; and from that initial contact, our friendship developed.

From 1958 to the present, Robert Waldron has been an assistant in the office of Homer Thornberry. His job location is in Washington, D. C. but he comes back to Austin with Congressman Thornberry during congressional recesses. He is usually here in Austin from about the middle of October to the middle of December. He also has travelled frequently serving as an assistant in the party of the Vice-President of the United States, Lyndon B. Johnson.

During the past two or three years, when Robert was here in Austin, he would stay in a house with two other fellows and me. I do specifically recall that he stayed with us during Congressman Thornberry's campaign for re-election during the period of time from about October to December of 1961. This residence was at 2323 Newfield Lane, Austin, Texas. He has never been married to my knowledge and I consider us to be good friends.

When a person first meets Robert Waldron, He gets the impression that Robert is rather effeminate. He is of slender build, dresses immaculately, and has effeminate mannerisms. He has dated girls on occasions, but not any particular girl for any length of time, to my knowledge.

I have never observed him in an intoxicated condition, but in my thinking, I believe that he drinks somewhat more than could be classified as moderate.

He has a frail physical appearance, but appears to enjoy good physical health. I also believe that he enjoys good mental health. For recreation, he enjoys cultural entertainment and traveling. He possesses a very out-going personality and is very sharp-witted.

He is extremely intelligent and a well-versed individual, and can entertain an individual in almost any field of knowledge. He takes shorthand very rapidly.

I have no reason to question his honesty, trustworthiness or reliability. To my knowledge, he has no affiliations with any questionable organizations, nor am I aware of any undesirable associates that he keeps company with.

I do not believe that he has ever been arrested by the police, nor am I aware of any court actions that he may have been involved in.

"Robert Waldron is a good friend of mine, but I believe that national security comes before personal friendship. I am an officer in the local military reserve and realize the importance of maintaining strong national security. Robert Waldron has demonstrated homosexual tendencies toward me. I first became aware of this problem during the last period of time that he roomed with two other fellows and myself, this would have been during December of 1962, I believe. He and I were sharing a double bed and he has always been a pretty heavy sleeper who crowded me in the bed, but this particular night he crowded me a little more closely than usual and his hands strayed in such a manner as to arouse my suspicions. Nothing further happened that night, so I more-or-less dismissed it as an accident."

"His friends impressed me as being strange; they liked cultural events, and seemed obsessed with re-decorating their houses; they just were not very masculine. In May of 1963 I went on vacation in Washington, D. C. and stayed with Robert Waldron one week. The house he has in Washington, D. C. is owned by him and he rents out portions of it to boarders. Robert and I shared a double bed, I thought nothing of it as we were close friends and he had no other available bed. The first two or three nights we slept together nothing happened; then one night he made advances to me in bed. I thought that he might possibly be asleep and dreaming but he was not. I questioned him about what he was doing and he admitted to

me that he was not romantically attracted to women, but was so attracted to some men."

"He was very disturbed, depressed, and remorseful that he had made advances toward me. He told me that he had felt this way about me for a long time and considered it to be somekind of an affection that he wanted to live with. He told me that it was accepted if a man dressed like a homosexual, but for a man in business or government work, it was a disgrace. He told me that he would never approach me again and hoped that our friendship would continue. He and I shared the same bed for two or three nights after the night of his advance and nothing happened."

I believe that he is very much of a loyal American citizen, and even though he has homosexual tendencies, I would still recommend him for a position involving national security on the basis of his past responsible government work and other personal characteristics.

INVESTIGATOR'S NOTE: Mr. Phillips stated that the Subject of investigation was rather high-strung type of person who liked his job and if he was dismissed from government employment because of homosexual tendencies, that the Subject might attempt suicide. Efforts were made to obtain additional personal testimony concerning the Subject's claimed residence at Austin, Texas, from 1950 to 1955. Unsuccessful searches were made at the local Public Library for possible neighbors or acquaintances of the Subject of investigation. Investigation at 807 E. 31st. Street revealed that Mrs. Fisher no longer resides in Austin. Investigation at the College Campus Guild, 2804 Whitis Street, revealed that this is a co-operative student house, operated by students and no one could be found having personal knowledge of the Subject. The Subject did not indicate his presence in Austin, Texas, during 1962 on his case papers. ch

Miscellaneous

MRS. J. A. RAUHUT, Widow, 2530 Harris Boulevard.

I first became acquainted with Robert Earl Waldron in the early 1950's when he began work as a male secretary for my husband's law firm. Since that time he has visited in my home many, many times. We are the best of friends. He left my husband's law firm about the middle 1950's to accept a position with the U. S. Congressman, Homer Thornberry in Washington, D.C.

I believe that he is now with the Vice-President, Lyndon B. Johnson as a public relation-type assistant. He has never been married to my knowledge.

I can't say enough good about him. He possesses a wonderful personality and is a-life-of-the-party type. He is very much in demand in the social gatherings because he has such an engaging personality.

I believe his moral conduct is good and his drinking habits are moderate.

I am not aware of any questionable organizational affiliations, undesirable associates, arrests or court actions that he has ever been involved in. His mental and physical health have impressed me as being good.

I have never heard any unfavorable comments regarding him and am not aware of any bad habits that he might have had. For recreation, he has many, many interests, such as, cooking, collecting antiques, and furniture.

I believe that he is a loyal American citizen and I very highly recommend him for a position involving national security.

SYNOPSIS OF FACTS

This report covers employment at Washington, D. C., with United States House of Representatives, June 1955 to date. Education verified at George Washington University, Washington, D. C., February to June 1957. Residence covered at Washington, D. C., 1960 to present; and at Alexandria, Virginia, approximately 1956 to 1960. Two witnesses describe Subject as effeminate, as one who enjoys things girls typically like, and stated he had a short temper. Review of other agency files indicates that a person with whom Subject resided for a period of approximately four years, admitted engaging in a homosexual act. Files further reveal that another person who was the Subject's roommate for a period of time, had previously resided with an admitted homosexual. Criminal files show no record. Credit Bureau report favorable. Date and place of birth corroborated. Supplemental report will be furnished as soon as possible.

Government and would definitely recommend him for a position involving the national security of the United States.

MISS MARGARET HODGES, Secretary, Supply and Maintenance Command, United States Department of the Army, Room 2064, Tempo 1, West Potomac Park.

I first met Robert Waldron in the office of Congressman Homer Thornberry when I started working there in August of 1957. I worked in the office until the first of June of 1963 when I took this position. During that entire period of time Bob supervised my work as he was the Administrative Assistant to the Congressman.

Although Bob would have occasional outbursts of temper in the office I always considered him to be a pretty nice fellow all around. He generally got along very well with the Congressman and did not have any difficulty of any kind working with him. During the period of time I worked in the office with Bob I had social contact with him almost continuously throughout the entire period. When I first came to work in the Congressman's office Bob was living in Virginia on Pitt Street in Alexandria. The house in which he lived was owned by an Edward Gulewicz. He must have lived there with Gulewicz for approximately three or four years. After he left that address he lived at two or three different places here in the District, the first of which was on Fourth Street, S.E. I do not recall how long he lived at that address. When leaving the Fourth Street house he moved to Queen Ann's Lane and lived with a Robert Gootz for a short period of time. (Robert Gootz) told me one time that the reason Bob moved out of his house was that he thought Waldron was a homosexual and did not want him living in his house. He then lived on A Street and I believe it was in the Northeast section for sometime before buying a home in which he is now living at 912 East Capitol Street. While living on A Street he lived with a James Williams.

My social contact with Bob has been primarily at parties at which we have both attended. I consider Bob to be a very good friend of mine, but I do not consider him to be a very manly sort of person. His interests definitely seem to run towards interior decoration, art, china collection, needlepoint. He is also very socially inclined. He gets along well with people and I have never known of him to have any serious difficulties or problems with anyone. Even though I have questioned it, I would not say that he is a homosexual, because I would have no way of proving it. I have had numerous people ask me over the years that I have worked here in the Congressman's office whether or not he was a homosexual. I have never heard anyone make a definite statement with actual proof that he is. He has a large number of friends and at the parties he has given throughout the years he has a tremendous guest list. I have been at many of these parties and in some cases have gone with him as his date. Some of the very close friends he has

- 4 -

In my mind are somewhat questionable in their manliness also. Two of his closer friends live almost directly across the street from him at the present time and they are George Gullikson and Wendell Frelander. As I have stated I have attended several parties with Robert and you might consider these dates, but they were not actually dates in the normal sense of the word as they were more for convenience on his part.

Apparently his health has been quite good over the time I have known him except for a kidney stone attack several years ago. I would say as a whole that he is rather well adjusted although he has had occasional run-ins with all of the personnel who have worked in the office over the period of time I have been there.

Other than a few Capitol Hill clubs to which he belongs I know of no organizations or groups with which he is affiliated. I would definitely have no reason to question his loyalty to our Government and would recommend him for a position involving the national security of the United States.

HARRIET LLOYD WILSON, Secretary, Bob Concan Realty Co., 322 South Washington St., Alexandria, Virginia. *de*

I have known Bob Waldron as an office associate for approximately two and one-half to three years. I went to work in the office of Congressman Thornberry in May of 1960 and knew Bob there as the Administrative Assistant in the office up until I left a short time ago. I have had some social contact with Bob during this time as I have been to parties at which he has attended. I never dated Bob. I do not remember the exact addresses or possibly every place that Bob has lived here in the Washington area, but when I first went to work in the office he was living with an Ed Gulewicz, in Alexandria. Sometime after this he lived on Queen Ann's Lane, N.W. with a Robert Coetz. I do not know how long he lived on Queen Ann's Lane. After that he lived on A Street alone for a period of time and is now buying his own home.

I like Bob, but he is sort of different and very effeminate. His interests seem to be in the area of needlepointing, art, and other things which girls typically like. If I had to summarize it I would say that he is sort of a sissy. He does not seem to have any interest in baseball or sports or other masculine interests. He is a very entertaining person to be around in a social situation and always has a good story to fit all occasions. I do not know whether he has ever really dated anyone, but if he has it would more or less surprise me.

I don't know if he is or is not a homosexual. I have heard rumors that he is one. I have had people make comments to me that he is definitely a sissy and he impresses people this way. His dress is always very immaculate.

his pants fit very tight, with high pockets and very small collars. I have never seen any actual overt signs which would indicate to me that he is a homosexual. Neither have I seen him make any improper advances to any member of his sex. Bob has many friends of both sexes and seems to be very well liked. I have heard people ridicule him because of these characteristics I have mentioned and many have made remarks about his manliness. He is very artistically talented. Bob associates with many very important people and he has impressed me as being one who is impressed with money and important people. I would classify him as a name dropper, but he does know a lot of important people. Bob has a rather short temper and is very moody. He is either in a good mood or in a bad mood with no ground between. I have often felt in the time I worked with Bob that he was polite to people that counted, but not so to those who he did not consider were worth bothering with. I have never seen him show his temper around people who he considered to be important. Some of his friends that I have seen and very slightly know are interior decorators and I do remember on one occasion that an older man visited him in the office, but I do not know his name. I would say that many of his friends seem to be somewhat sissified, but I have never seen anything which would indicate anything of a questionable nature concerning their character or morals.

Robert is a loyal American citizen and I think I would recommend him for a position involving the national security of the United States.

Neighborhood

MR. AND MRS. L.A. PRITCHARD, Retired and Candy Concession Operator, 910 East Capitol Street.

Robert Waldron has lived next door at 912 East Capitol Street for something over a year. We have not had any direct social contact with Mr. Waldron but have conversed with each other in the yard as he is going to and coming from work. He has impressed us as being a perfect gentleman and a very nice man in all respects. Some Congressman is living with him at the present time. He has a lot of company and has had frequent parties in the time he has lived here but never to the point where it has disturbed us. He seems to have friends in very high places in Washington and seems to be a very polite man in all respects.

From what little conversations we have had with him we would feel that he is fully qualified for any position and we would definitely have no reason to question his loyalty to the Government. We feel we could recommend him for a position involving the national security of the United States.

JOHN E. HOAK, Capitol Hill Policeman, 914 East Capitol Street.

The gentleman living at 912 East Capitol Street has lived there for approximately one year. I have never talked with him to any degree but do know that he works for Congressman. I have seen him in the yard on several occasions and have passed a word or two with him on a couple of occasions. I see him in the yard with his two dogs occasionally. He has had several parties in the house and in the back yard but they have never been anything that would disturb anyone. I have never seen anything out of the ordinary and would not have any reason to question his character, habits, or morals in any way. I do not know if he lives in the apartment by himself or has another roomer.

I do not feel I know enough about him to make any additional comments.

JOE BAUSERMAN, Capitol Hill Policeman, 914 East Capitol Street.

I have lived at this address for approximately eight months and the gentleman living at 912 East Capitol Street was there when I moved in. He has never caused any disturbances to my knowledge here in the neighborhood and I have not had any real contact with him. From what I have observed I would say that he seems to be alright.

INVESTIGATOR'S NOTE: Attempts to locate people in the neighborhood with additional information concerning the subject were unsuccessful.

CONFIDENTIAL INFORMANT "A".

During an investigation by Confidential Informant "A" the subject of that investigation admitted participating in homosexual relations with numerous males, and subject related that one Robert Goetz, employed by Kiplinger Publishers, was one of the former guest or roomers of subject at 2733 P Street, N.W. Subject did not include Goetz among those he had had relations with.

CONFIDENTIAL INFORMANT "B".

Investigation on Robert Goetz was conducted on January 1962 to bring up to date in connection with reserve status. No additional derogatory information was developed.

EDWARD JOHN GULEWICZ, Finance Manager and Budget Officer, Data Processing Center, United States Department of the Army, interviewed at 221 North Pitt Street.

Robert Waldron lived in the house with me here at 221 North Pitt Street in Alexandria up until about three years ago. He had lived here for a period of approximately four years. Bob has a very wide circle of very important people and is very well known by many officials in Government. He had numerous parties at this address while he was living here with me. As a whole Bob's social life has been centered completely around Capitol Hill. He has worked for Congressman Thornberry of the State of Texas for the entire period of time that he has been in Washington. I am of the impression that he has served as his Administrative Assistant for this entire period of time.

The way I became acquainted with Bob was that I ran an ad in the local paper for someone to rent a room from me and he answered it and moved into the house. I will say one could not find a better person or more a nicer man.

He does not belong to many clubs or organizations as he has not had sufficient time for this sort of thing. I have never had any reason to question his character, habits, or morals. I have never known him to associate with questionable people in any way. From my observation all of his associates are quite normal. He has dated some over the years but I do not know the extent of the relationship in his dating. He is a polished individual and a self-made man. His associates are all very high type individuals and I have never known of any questionable activities or associations on his part. He shows a few signs of having somewhat of a temper but I have never known of this to be a real serious problem with him. As a whole I would consider his health to be very good and his emotional stability average. I would have no reservations about him in anyway. The only contact I had with Bob was here at the house while he was living here. As I recall the reason he moved from this address was that he wanted to be closer to his work, and he also felt he needed additional room. He is primarily interested in socializing and he does enjoy collecting antique pieces.

I would have no reason to question his loyalty and would definitely recommend him for a position involving the national security of the United States.

CONFIDENTIAL INFORMANT "A".

Edward J. Gulewicz was quoted by a Confidential Informant "A" Special Agent as admitting that he had been a passive participant in act of perversion while stationed at Atlanta, Georgia with the Army. He did not reciprocate nor did he assume the active role during the evening being merely the passive partner.

INVESTIGATOR'S NOTE: Edward J. Gulewicz when at a later date when confronted with this information by the United States Civil Service Commission denied ever having engaged in an act of perversion with a homosexual.

CONFIDENTIAL INFORMANT "B".

In 1954 the subject of a Confidential Informant "B" investigation admitted relations with Gulewicz among others.

SYNOPSIS OF FACTS

This report covers subject's part time employment with Gustave Neuberg, (deceased), from approximately the summer of 1949 to approximately August, 1950; Encyclopedia Britannica, Chicago, Illinois, from October 26, 1948 to June 24, 1949; unsuccessful attempts to verify subject's educational training at Gregg College, Chicago, Illinois from June, 1948 to August, 1950. CHICAGO, ILLINOIS

Employment

THOMAS J. MC ELLIOTT, Lawyer, (Successor to Gustave Neuberg), 3223 North Ashland Avenue.

At the present time, I have no records which to establish the dates of Robert Waldron's employment for Mr. Gustave Neuberg. Mr. Neuberg who practiced here in the neighborhood as a lawyer maintained offices at this address, however, he died about four or five years ago. I took over the operation of his business and succeeded him and carried on his work here in this office, however, I did not retain any records on prior personnel, nor was I affiliated with the office during the time that Mr. Robert Waldron is said to have worked here as a Secretary.

I can state that on various legal papers such as wills and other legal documents, I have seen the signature of Robert Waldron appearing as a member of the office in witnessing various legal documents. Therefore, I believe this would establish that he had been employed here and had worked with Mr. Neuberg.

The only other individual who would possibly be in a position to help you would be the office manager of Mr. Neuberg who had worked with him for a period of twenty-five years, maintained his office and was acquainted with all employees. He was last known to have been a Loan Officer with the Savings and Loan Company on Belmont Avenue here in the neighborhood. I do not have his address.

JOHN F. SEITZ, 1818 Oakdale Avenue.

I formerly was employed as the Office Manager for Gustave Neuberg who died approximately five and a half years ago in June of 1958. I remember and recall Bob Waldron quite well. He was employed by us as a part-time secretary.

As closely as I can recall, at that time, we had secured the services of Bob Waldron through the school in which he was in attendance at the Cregg College in Chicago. I believe, at that time, he was enrolled in a course in Court Reporting and therefore, worked for us in the evenings. Mr. Neuberg operated a neighborhood law office and most of the business was conducted in the evening between six and ten o'clock and Bob served as his secretary during these hours. I would judge the time of his employment to have begun sometime in the summer of 1949 and he worked for us for approximately one year until the end of the summer at which time he voluntarily resigned in order to return to Austin, Texas and I understood, to enroll in college. Therefore he would have quit possibly in August as the school terms began in September.

Robert Waldron impressed me very favorably. He is a very honest, reliable and trustworthy type of individual and certainly exhibited good breeding as well as character and morals. He worked for us on a part-time basis in the evening after his school courses finished. He did secretarial work and other miscellaneous duties in the office. He was an exceptionally good worker, his work was highly accurate, and we regretted to lose his services. However, he informed us at that time, that he wished to return to his home at the completion of his course at Gregg College, and that he had anticipated enrolling in college to further his status in the law field. We received several letters from him subsequent to that, and kept in touch with him until recent years. I believe that he worked with the congressman for a long period of time and this is the last position that I had any knowledge of.

He was single, his habits were clean-cut, to my knowledge, he did not employ the use of intoxicants and I certainly would have no question to doubt his loyalty.

I personally would recommend him highly for a sensitive position involving our national security.

ENCYCLOPEDIA BRITANNICA, 425 North Michigan Boulevard. Employment record information furnished by Susan Egan, Personnel Department.

Our employment records indicate that Robert Earl Waldron was born on January 1, 1927 and no place of birth shown. His social security number is listed on our records as 467-30-3725.

The record further reflects that Mr. Waldron entered on duty with the Encyclopedia Britannica on October 26, 1948, as a Stenographer in the company executive sales division. He continued in full time employment until his voluntary termination which according to the records was affected on June 24, 1949. At the time of his resignation, he indicated no reason.

Further review of the file indicates that he was rated good in all categories and had an excellent work record. There is nothing of an adverse nature contained in the record or anything which would reflect unfavorably upon him. He would be eligible for rehire.

The only individual shown on the record is the individual who made the last evaluation on him, and he is no longer connected with this company and I would know nothing of his whereabouts. I have no way of ascertaining any individual who would be in a position to supply you with any personal testimony concerning Mr. Waldron during the period of his employment here in 1948.

Education

NORTHWESTERN UNIVERSITY, School of Commerce, (Custodian of Gregg College Records), 339 East Chicago Avenue. Information furnished by Mrs. E. SerShan, Registrar.

Gregg College formerly operated the school here in the Chicago area at 37 South Wabash. However, in approximately 1952, the school closed and was willed to Northwestern University. At that time, after a review of the standing of the school and its records, it was found that the school had never been accredited nor were any of its courses. Therefore, the authorities at the school of Commerce here, refused to accept the responsibility for any prior records. However, since 1952, we have operated courses in Stenography at the Gregg School, however, these courses were all accredited and records were maintained. Therefore, we have records dating from 1952 to the present date only. All records prior to 1952 were not received by the Northwestern University and I believe that in the disposition of the estate, they were either destroyed or lost. I have no knowledge of any records prior to 1952 could be located and it is my firm contention they do not exist at this time. Therefore, any attempts to verify the educational training of Robert E. Waldron for the period from 1948 to 1950 would be impossible at this time.

Miscellaneous

FLORENCE CUSHI, (Wife of Reference), 2918 West Catalpa Avenue.

I have been well acquainted with Robert Waldron who is a close friend of my son's and has visited and stayed in our home on numerous occasions. As a matter of fact, at the present time, since his return from the European trip with President Johnson, he has sent us a card indicating that he would spend the Thanksgiving Holidays with us. Therefore, we are looking forward to his visit, within the week.

I can think of no finer individual than Robert Waldron. For years he had served as secretary to Representative Thornberry of Texas, has traveled extensively with Lyndon Johnson and also with President Kennedy and has more or less served as Mr. Johnson's secretary on the recent European trip.

Bob has had considerable training in law, had graduated from the University of Texas, and I believe has since received his law degree. In addition to this, while he was here in the Chicago area, he came in to take a course in Court Reporting at Gregg College in the city here. During that period of time, he had part-time job with the law firm, the name of which I cannot recall at this time. He also, I believe, worked for the Encyclopedia Britannica. During his stay here in Chicago, he resided with close friends of ours and roomed with them during the entire time.

Robert certainly is a person who in my estimation is honest, reliable and trustworthy. He is single, he has never been the subject of any adverse information to my knowledge, and certainly is of good character, morals and associates. I certainly would have no reason to doubt or question his loyalty and based on the fact that he is practically a member of our family, and that I know him as well as I know my own son, I certainly would recommend him without reservation for a sensitive position involving the security of the United States Government.

Employment

J. D. SEDBERRY, INCORPORATED, Beverly and Social Streets - Records furnished by Mrs. Sybil Zinn, Secretary.

We have a limited file on Robert Earl Waldron, Social Security 467-30-3725. The available records indicate he was hired January 15, 1947 as a Clerk and worked until November 29, 1947. His residence is given as 411 South Oakland Street and permanent home at Box 41, Arp, Texas. The records reflect no other information and discloses no unfavorable information.

MRS. SYBIL ZINN, Secretary, J.D. Sedberry, Incorporated, Beverly and Social Street.

I came with this company in 1949 and that was when I first met Robert Earl Waldron, who at that time, I believe, was in college somewhere. I have known him off and on throughout the years and when he returned to Tyler for a visit he usually came by the office. I know that later he went to the University of Texas and recently has been working for Congressman in Washington, D. C.

As I know him, in my limited way, I have no reason to question his honest, character, habits, morals, or his reputation. During the time he was employed here, the company was known as J. J. Y. Bee Manufacturing Company. I would have no reason to question his loyalty to the United States. As I know him, I trust and recommend him for a position of responsibility with the government service.

Education

FEDERAL INSURANCE, INCORPORATED, 410 1/2 South Broadway, Records furnished by Jack H. Goodwin, President.

The scholastic file card on Robert Earl Waldron does not indicate his place of birth. He made an excellent record here as indicated by the file and attended full time day school from May 29, to December 20, 1944 and left to go into the United States Navy. He returned September 3, 1946 and his received his General Business diploma on March 13, 1947, taking Book-keeping, shorthand and typing. His record is favorable as he was an A Student and there is no derogatory information in the file. The record indicates he graduated from Arp High School, Arp, Texas in 1944 and his residence is shown as Arp, Texas.

Neighborhood

MRS. D. T. WALTERS, Housewife, 421 South Oakland Street

I have been a resident of Tyler for 58 years and have lived in this neighborhood during that time. I do not recall Robert Earl Waldron as ever having lived in the home of a Mrs. Gipson or Gibson who, years ago, lived next door at 411 South Oakland. That house has been torn down for many years and I have not heard of Mrs. Gipson. I can furnish no information, one way or the other, regarding this landlady or the subject.

INVESTIGATOR'S NOTE: The 1947 City Directory disclosed that subject resided at 411 South Oakland and was employed with Glasgow Manufacturing Company at Beverly and Social Streets. This is indicated to be the same company as J.B. Manufacturing Company where subject claimed employment and is verified by records. At this address the directory indicated a P.H. Gipson resided at the address also and was the landlord. Information developed that T. H. Gipson is deceased and Mrs. T. H. Gipson lived at this residence but her present whereabouts could not be ascertained, through local indices which were checked thoroughly. The marriage records in Tyler were checked with negative results as well as death records. The house that was at one time located at 411 South Oakland is no longer in existence as a commercial building has been built at this location. No other neighbors in the entire block with the exception of Mrs. Walters who was interviewed, only with negative results.

Subject claimed employment with J.B. Manufacturing Company from December 1, 1946 to May 1948 and residence at the home of Mrs. T. H. Gipson from September 1946 to June 1948. Subject's activities from approximately December 1947 to June 1948 were not ascertained in Tyler, Texas as no information was developed covering this period of employment or residence.

Miscellaneous

MRS. MILDRED W. JOHNSON, Housewife, 2920 Teaton Drive

Robert Earl Waldron is my brother. He was born and reared in East Texas. After graduating from high school at Arp, Texas he came to Tyler, Texas and entered business school. He was in the United States Navy and returned after his discharge from the Navy and worked at J.B. Manufacturing Company for some time.

MRS. BENJAMIN CANE JOHNSON

He then went to school in Chicago, attending Gregg College. I have no idea of the exact dates when he left Tyler. But as I recall, he went directly from Tyler to Chicago by way of our home, at that time, in ~~Tex~~ Texas for a few weeks getting ready to go Chicago. Later he graduated from Gregg College and entered the University of Texas, Austin, Texas. He has been working in Washington, D. C. for several years. I can furnish no information regarding the exact dates that my brother lived in and worked at Tyler, Texas or as to the time he left to go to Chicago to Gregg College.

ANNIE MAE WALDRON

MRS. CARL WILLIAM WALDRON, Housewife, 512 Douglas Street ~~TYLER, TEXAS~~

I am the mother of Robert Earl Waldron and my son graduated from Arp High School and came to Tyler to enter business college. He served a period of time with the United States Navy and returned to Tyler to go to school and work. As I recall, he finished his work here and went immediately after to Chicago to attend Gregg College and continued his business education. Later, he returned to go to the University of Texas and for several years has been working in Washington, D. C. for a Congressman.

I do not recall the exact dates that my son lived in Tyler. I do not believe he had any periods of unemployment during that time, that is of any length of time, because he was going to school and had to work to make his way through school. I do not recall if he left here in 1947 or 1948 as it has been so long ago and I am not good at recalling dates. I do recall that while living here, he lived in the home of Mrs. T. H. Gipson and rented a room from her. I do not know her present whereabouts.

INVESTIGATOR'S NOTE: Mrs. Waldron was contacted by telephone and gave her statement. Later at a personal interview with her daughter, Mrs. Johnson, again a telephone call was made to Mrs. Waldron with the same results. Collaboration with her daughter over the telephone and the fact that she could furnish no additional pertinent information regarding her son's residence or employment in Tyler, Texas, she was not interviewed personally.

Criminal and Credit Records

TYLER POLICE DEPARTMENT - Records searched by Judy Lee, Records Clerk.

No arrest record.

TYLER RETAIL MERCHANTS ASSOCIATION, 307 East Texas Savings & Loan Building. Records furnished by Sarah Lee Theodford, Bookkeeper.

We had a file on Robert Earl Waldron since February 1947 and at that time he resided at 411 South Oakland Street and was employed with the J.B. Manufacturing Company at \$200 per month.

The last check we had on him, as being a resident here, was in 1947. We sent a report to Austin, Texas on July 25, 1952 and at that time he was attending the University of Texas and resided at 2801 Whittie. His permanent residence was Arp, Texas.

His local trade is satisfactory. There is no derogatory information in the file.

III. APPRAISAL FACTORS

Listed below are those factors generally vital in measuring the performance of Reserve officers not in the active military service. The purpose of obtaining a rating on each factor is to provide you with a measure of individual characteristics that will aid in arriving at a valid overall appraisal. Place a single "X" in whatever box best indicates your evaluation. The written descriptions are to serve as a guide in your appraisal. Guard against the tendency of forming a general impression and marking the same degree for

all factors. This "halo effect" may be prevented by considering and judging each element separately and independently of the others. Do not allow your evaluation of one factor to influence you on another. The end result should be a profile of the officer's relative performance in terms of the separate factors. Check the not observed box whenever you have insufficient knowledge on which to base an evaluation.

1. INITIATIVE (Consider ability of individual to accomplish the training objective with resources normally available. Does he go out of his way to make a better program? How effectively does he complete assigned projects?)

☐ NOT OBSERVED	LACKS AGGRESSIVENESS AND DIS-PLAYS LITTLE OR NO INITIATIVE.	DOES HIS BEST. EFFORTS USUALLY PRODUCE ACCEPTABLE RESULTS.	MUSTERS ALL AVAILABLE RESOURCES TO MAKE HIS PARTICULAR MISSION A SUCCESS.	MAKES AN ALL-OUT EFFORT IN EVERY-THING HE DOES FAR BEYOND WHAT IS EXPECTED OR REQUIRED.

---------------------------------------	------------------------	---	--	--

4. RELIABILITY AND PERSONAL RESPONSIBILITY (Consider his sense of reliability and responsibility as demonstrated during training)

REPORT

IV. COMMENTS OF REPORTING OFFICIAL: Include any strengths or weaknesses not covered elsewhere in this report. Whenever an officer is rated outstanding, one or more actual incidents illustrating typical performance which justify the rating must be included. Indicate recommended promotional consideration.

FACTS AND SPECIFIC ACHIEVEMENTS: Captain Waldron attended weekly meetings where an up-to-the-minute intelligence briefing is given by a representative of the Current Intelligence and Indications Center of the Defense Intelligence Agency. The balance of the weekly drills consists of a lecture by outstanding individuals in the services or connected with the services, i.e., Honorable E. M. Zuckert, Air Force Program; General Curtis E. LeMay, Jobs that Confront Us in the Air Force; General B. A. Schriever, Management Trends; B/Gen Jamie Gough, AF Counterinsurgency Operations; General Walter C. Sweeney, Jr., Tactical Air Command, and Admiral Geo W. Anderson, Naval Operations. The training gained by Captain Waldron gives him a greater insight on the Air Force, its activities, concepts and missions. In addition, Captain Waldron accompanied the Squadron on two field trips--one, to Luke AFB, Arizona and the second to FAA Air Traffic Control Center at Leesburg, Va.

CIVIC RESPONSIBILITY: Captain Waldron is the Administrative Assistant to Representative Thornberry of Texas.

PROMOTION FITNESS: This officer, a very dedicated reservist, is well qualified for promotion to the rank of Major.

V. OVERALL APPRAISAL

Compare this officer with reserve officer of the same grade, not on extended duty, considering the position he will be expected to fill in the event of mobilization; evaluate his progress toward that end as represented by his performance during the reporting period.

Remember that extremes of ability are rare. Be objective and impersonal. Think of the officer's performance over the entire rating period. Place an "X" in the appropriate box.

UNSATISFACTORY.	MARGINAL.	AN ACCEPTABLE OFFICER.	A DEPENDABLE AND TYPICAL OFFICER.	A VERY FINE OFFICER OF GREAT VALUE TO THE SERVICE.	ONE OF THE VERY FEW OUTSTANDING OFFICERS I KNOW.

ORGANIZATION 9999th Air Reserve Squadron 2d Air Force Reserve Region Andrews AFB, Wash 25, DC		REPORT BASED ON 36	REASON FOR REPORT— ☒ ANNUAL REPORT ☐ CHANGE OF REPORTING OFFICIAL	
DAYS OF ACTIVE DUTY PERIODS OF INACTIVE DUTY TRAINING				
II. DUTY ASSIGNMENT (Give title and AFSC of duty assignments, if any, during the period concerned. Indicate "None" if no assignment was made) Attends weekly presentations held at the New Senate Office Bldg., conducted by high-level guest speakers on a variety of military subjects.				
III. APPRAISAL FACTORS Listed below are those factors generally vital in measuring the performance of Reserve officers not in the active military service. The purpose of obtaining a rating on each factor is to provide you with a measure of individual characteristics that will aid in arriving at a valid overall appraisal. Place a single "X" in whatever box best indicates your evaluation. The written descriptions are to serve as a guide in your appraisal. Guard against the tendency of forming a general impression and marking the same degree for all factors. This "halo effect" may be prevented by considering and judging each element separately and independently of the others. Do not allow your evaluation of one factor to influence you on another. The end result should be a profile of the officer's relative performance in terms of the separate factors. Check the not observed box whenever you have insufficient knowledge on which to base an evaluation.				
1. INITIATIVE (Consider ability of individual to accomplish the training objective with resources normally available. Does he go out of his way to make a better program? How effectively does he complete assigned projects?)				
☐ NOT OBSERVED	LACKS AGGRESSIVENESS AND DISPLAYS LITTLE OR NO INITIATIVE.	DOES HIS BEST. EFFORTS USUALLY PRODUCE ACCEPTABLE RESULTS.	MUSTERS ALL AVAILABLE RESOURCES TO MAKE HIS PARTICULAR MISSION A SUCCESS.	MAKES AN ALL-OUT EFFORT IN EVERYTHING HE DOES FAR BEYOND WHAT IS EXPECTED OR REQUIRED.
2. COOPERATION (Consider ability and willingness to work in harmony for and with others)				
☐ NOT OBSERVED	INCLINED TO CREATE FRICTION. DOES NOT GET ALONG WELL WITH SOME PEOPLE.	SOMETIMES INDIFFERENT TO OTHERS. COOPERATES TO A FAIR DEGREE.	WORKS IN HARMONY WITH OTHERS. A VERY GOOD TEAM WORKER.	EXTREMELY SUCCESSFUL IN WORKING WITH OTHERS. ACTIVELY PROMOTES HARMONY.
3. PARTICIPATION (Consider degree of participation within his capabilities, i. e., experience, age, etc.)				
☐ NOT OBSERVED	PASSIVE OR NOT AT ALL.	ENGAGES IN PROGRAM TO A LIMITED DEGREE.	ACTIVE IN THE MOST INTERESTING PHASES.	ACTIVE IN ALL PHASES IN AN EFFORT TO MAKE THE PROGRAM A SUCCESS.
4. RELIABILITY AND PERSONAL RESPONSIBILITY (Consider his sense of reliability and responsibility as demonstrated during training)				
☐ NOT OBSERVED	FAILS TO MEET OBLIGATIONS HE HAS ACCEPTED.	REASONABLY DEPENDABLE IN THE EXECUTION OF RESPONSIBILITIES.	CAN BE COUNTED ON TO PERFORM WELL IN ANY SITUATION.	HAS A HIGH SENSE OF DUTY. JUSTIFIES COMPLETE CONFIDENCE.
5. LEADERSHIP (Consider his ability in organizing and obtaining the cooperation of others and in directing their efforts effectively)				
☒ NOT OBSERVED	LACKS ABILITY TO ORGANIZE OTHERS TO GAIN EFFECTIVE CONTROL.	OBTAINS ADEQUATE COOPERATION UNDER AVERAGE CONDITIONS.	COMMANDS RESPECT. CAPABLE OF MAINTAINING ADEQUATE CONTROL OF A SITUATION.	HAS NATURAL ABILITY TO LEAD. INSPIRES CONFIDENCE TO THE EXTENT OTHERS FOLLOW WITHOUT HESITATION.
6. GROWTH POTENTIAL (Consider his ability to learn rapidly, his personality, self-improvement efforts, special abilities. Is he gaining anything from the training he has received? Will further training of the type received be of any value to him or the Air Force Reserve?)				
☐ NOT OBSERVED	CONTENT WITH HIS LOT. ACCEPTS WHAT IS PRESENTED.	DEMONSTRATES ADAPTABILITY WHICH WILL DEVELOP INTO PROFICIENCY AT MODERATE RATE.	CONSTANTLY STRIVES TO IMPROVE HIS CAPABILITIES. GRASPS AVAILABLE TRAINING READILY.	HAS ESTABLISHED A GOAL AND IS EFFECTIVELY GROOMING HIMSELF FOR ATTAINMENT. WILL BE A SUCCESS IN ANY UNDERTAKING.

IV. COMMENTS OF REPORTING OFFICIAL

outstanding, one or more actual incidents, or promotional consideration)

include any strengths or weaknesses not covered elsewhere in this report. Whenever an officer is rated

illustrating typical performance which justify the rating must be included. Indicate recommended

FACTS AND SPECIFIC ACHIEVEMENTS: Captain Waldron attended weekly meetings where an up-to-the-minute intelligence briefing is given by a representative of the Current Intelligence and Indications Center of the Defense Intelligence Agency. The balance of the weekly drills consists of a lecture by outstanding individuals in the services or connected with the services, i.e., Honorable E. M. Zuckert, Air Force Program; General Curtis E. LeMay, Jobs that Confront Us in the Air Force; General B. A. Schriever, Management Trends; B/Gen Jamie Gough, AF Counterinsurgency Operations; General Walter C. Sweeney, Jr., Tactical Air Command, and Admiral Geo W. Anderson, Naval Operations. The training gained by Captain Waldron gives him a greater insight on the Air Force, its activities, concepts and missions. In addition, Captain Waldron accompanied the Squadron on two field trips--one, to Luke AFB, Arizona and the second to FAA Air Traffic Control Center at Leesburg, Va.

CIVIC RESPONSIBILITY: Captain Waldron is the Administrative Assistant to Representative Thornberry of Texas.

PROMOTION FITNESS: This officer, a very dedicated reservist, is well qualified for promotion to the rank of Major.

V.

OVERALL APPRAISAL

Compare this officer with reserve officer of the same grade, not on extended duty, considering the position he will be expected to fill in the event of mobilization; evaluate his progress toward that end as represented by his performance during the reporting period.

Remember that extremes of ability are rare. Be objective and impersonal. Think of the officer's performance over the entire rating period. Place an "X" in the appropriate box.

UNSATISFACTORY.	MARGINAL.	AN ACCEPTABLE OFFICER.	A DEPENDABLE AND TYPICAL OFFICER.	A VERY FINE OFFICER OF GREAT VALUE TO THE SERVICE.	ONE OF THE VERY FEW OUTSTANDING OFFICERS I KNOW.

FACTS AND SPECIFIC ACHIEVEMENTS: Captain Waldron attends weekly meetings of the 9999th ARS, composed of members of Congress and their professional staff. Lectures are presented by the very highest staff officers the Air Force has to offer. After each briefing, there is a question and answering period in which Captain Waldron frequently participated.

SUGGESTED ASSIGNMENT: He is qualified to assume the duties as a Squadron Administrative Officer.

CIVIC RESPONSIBILITIES: As Administrative Assistant to Representative Thornberry of Texas, his present reserve assignment enables him to obtain very valuable information each week that is closely correlated to civilian job. He is able to enhance his own knowledge of the Air Force and benefit the Air Force by keeping the Congressman informed on current Air Force matters.

PROMOTION FITNESS: Captain Waldron is well qualified for promotion to the rank of Major.
